Volunteer Tree Challenge

CITY OF VENTURA PARKS & RECREATION

To play, complete a volunteer activity, act of kindness or community service project. Write down what the activity was on a blank leaf, color the leaf in your favorite fall color(s), and then place it on your very own volunteering tree at home. Your challenge is to see how big your volunteer tree can get by the end of the fall season. You can also make it a neighborhood competition by placing your volunteer tree on your front door to track and motivate your neighbors to join in on the fun.

- **Bring someone a home-made meal or hand-made gift, card, or note**
- **Volunteer at a community garden or in your neighborhood**
- **Help a neighbor, family member, or friend with a project**
- **Encourage a friend to volunteer with you**
- **Volunteer activity of your choice**
- **Pick up trash at a local park**
