Glenn Egelko

To Ventura Parks and Recreation Commission:

I am working with a successful owner/operator of a batting cage who would like to open another location at Community Park, on Kimball. Both of us are long time Ventura residents and feel the location could serve a wide area as the closest facilities are in Oxnard and Santa Barbara.

If there is a possibility that this could occur, please contact me at your earliest so that we could discuss details, requirements etc. I look forward to your response and the opportunity to work with you.

Sincerely,

Glenn Egelko
