Honorable Economic Development Committee

This is a good time to brave change. Have Raimi and Associates help find holes in our money pockets. Wasted resources.

Create a Volunteer Office serving all City departments to accept and route all volunteer applications. This Volunteer Office is itself run by volunteers.

The idea is to formulate a simple universal way for the public to apply themselves effectively to public service in an area of their calling.

We have a growing group of resources idling and waiting for the light?

Respectfully,

Trevor Gotsman
