Written Comments	Community at Kimball and Telephone. Bike speeds and dogs not on a leash. Signage to recommend maximum bike speed-I am a bike rider and I see many people speeding. Hermosa Beach has a limit posted on the Strand(8 mph) People will still speed, but this may help slow traffic. Dogs not on a leash-

major problem. We also need an area at this park where dogs can run free as at Camino Real park. Try the area between the ball fields and the freeway. How about a line down the middle of the bike/pedestrian walk way. Too many people take their half of the walk way in the middle. No solution to this, but people complain that bikes do not warn them they are coming and these same people cannot hear a warning because they have on ear buds
