# ADMINISTRATIVE REPORT

---

Date: July 8, 2019

Agenda Item No.: **12C – Advance Item**

Council Action Date: July 15, 2019

**To: Honorable Mayor and City Council**

**From: Alex D. McIntyre, City Manager  
Susan Rungren, Ventura Water General Manager**

**Subject: State Water Interconnection Project Final Environmental  
Impact Report Certification and Project Approval**

At the upcoming July 15<sup>th</sup> City Council Meeting, Ventura Water will be presenting the Final Environmental Impact Report (EIR) for the proposed State Water Interconnection Project. Below are links to the environmental documents that will be presented and included in the agenda materials:

- Link to the Final EIR, which includes comments received and responses to comments:
