Ventura Water contest, share your favorite “shower song” to win tickets to the VC Fair

Ventura Water is hosting a Facebook contest for community members to win tickets to the Ventura County Fair starting Monday July 20th through August 2nd. This contest promotes taking a shower the length of your favorite song as a way of conserving water during the drought. This summer’s campaign, known as, “Hey Ventura, what’s your shower song?” is online at www.facebook.com/venturawater.

To participate in the contest with a chance to win tickets to the VC Fair, simply post your shower song from YouTube to Ventura Water’s Facebook page and get as many likes for your shower song as you can. You must also like Ventura Water’s Facebook page for your song to be considered.

Ventura Mayor Cheryl Heitmann says, “This shower song idea was passed down by the state of California; we took it and ran with it. We have ads running on 103.3 the Vibe and KHAY. It resembles last summer’s “Dirty Car Contest”, which was very successful.”

The two contestants whose videos receive the most Facebook “Likes” for the week win a pair of tickets. The contest will last for two weeks, and participants can enter both weeks.

Information and contest details are posted on Ventura Water’s Facebook page, www.facebook.com/venturawater.

This contest reminds residents that showering in 5 minutes or less can save up to 1,000 gallons per month.

This release is available on the City of Ventura website, www.cityofventura.net. ---###---
