### New “Art Ventures Bus Tours” on August 17 feature the Hammer Museum exhibit “Made in LA” & UCLA Sculpture Garden

Explore the work of 26 recognized and emerging LA artists in dance, fashion, literature, music, film, and performance at the Hammer Museum’s third biennial exhibition, “Made in LA,” with artist Maryanne Irving as your tour guide on Wednesday, August 17, from 9 am to 5 pm. The bus tour—at \$30 per person—is open to accompanied teens and adults.

The daylong trip includes a lunch stop (not included in fee) and tour of the Franklin D. Murphy Sculpture Garden, among the most distinguished outdoor sculpture collections in the country. Explore it on your own or with Maryanne. The outdoor art collection spans more than five beautifully-landscaped acres of UCLA’s campus with over 70 sculptures by such artists as Hans Arp, Deborah Butterfield, Alexander Calder, Barbara Hepworth, Jacques Lipchitz, Henry Moore and David Smith.
