Apply for “City of Ventura Special Event Permit Fund” grants by December 10

Applications are due by 5 pm on Wednesday, December 10 for the City of Ventura “Special Event Permit Fund,” a grant program open to event organizers staging festivals and events in Ventura that activate public space and increase visitor spending.

The grants are to be used to cover all, or a portion of, special event permit fees levied by the City of Ventura for special events occurring on public property.

The maximum amount of an award is \$2,000. Applicants must be a Ventura-based nonprofit or an agency partnering with a Ventura-based nonprofit. The funding period is available twice per year. Events occurring January 2015 through June 2015 are eligible for this current grant cycle.

“The benefits of parades, cultural festivals and special events to Ventura’s identity and livelihood are many,” said Community Partnerships Manager Denise Sindelar, “and our city continues to encourage them through this special grant program that promotes entrepreneurial spirit, innovation and private sector/public agency partnerships.”
