October 2015 - Reserve your sponsor & registration spot now!

Dear Executives, Business Owners and Wellness Coordinators,

Registration officially opens on January 11 for the 2016 Ventura Corporate Games, but you can reserve your spot now! The registration and event selection form -- easy to fill, save and send -- plus all the essential information for 2016 are now online at www.venturacorporategames.org. I also invite you to consider joining our family of sponsors by November 18. [Click here for details](#) or explore our web links below.

I look forward to welcoming back our family of agencies, businesses and companies that return to "The Games" year after year. These organizations already know the value of Corporate Games to their employees.

But if your organization has never taken part, this is my personal "pitch" and invitation to you to consider joining us for the 2016 Corporate Games to be held from March 19 to May 7.

There are so many reasons why you should make this investment, but here are my top three: participation in Corporate Games will increase employee (1) productivity, (2) teamwork and (3) fitness within your organization.

Over the past 26 years of its existence, I've seen 80 to 90 companies come to include participation in Corporate Games as an essential part of their wellness culture each year. And I've seen this culture grow from the simple "let's go out and have fun" to a more profound "let's get healthy and break down barriers that prevent us from reaching our full potential."

But, make no mistake, Corporate Games remains THE fun way to build your team and provide your employees with the benefits of improved health, efficiency and unity. What better "bottom line" investment can you make in the single most important resource in your company?

I invite you to call me at 805/658.4738 or contact me at eburton@cityofventura.net to make your commitment early or discuss your possible participation in Corporate Games next year. I look forward to hearing from you.

Remember, "Teamwork Wins!"

Kinetic Sculpture Race entry

Why wait until the festivities of Corporate Games Closing Ceremonies to make Ventura Harbor Village a regular family fun spot?

Bring the family and come early before the 18th annual Turning Point Foundation Kinetic Sculpture Race (KSR) begins on Saturday, October 17, and join the SKR teams for a free pancake breakfast at The Greek at the Harbor starting at 9:30 am.

The "price of admission" is to wear your Corporate Games medals from years past. Many Ventura Harbor Village restaurants and shops will offer discounts to CG medal wearers, including: The Greek, Margarita Villa, Coastal Cone, Copa Cubana, Ventura Boat Rental and The Comedy Club, just to name a few.

Racers from all over the West demonstrate their engineering ingenuity, creativity, whimsy and nautical know-how during this land and sea race with mud, figure 8 and sand challenges in Ventura Harbor from 11 am to 3:30 pm - all free and open to the public. The pageantry begins at the Carousel Stage. [Click here for details.](#)
