Public Invited to Ventura's State of the City Address, February 23

Ventura Mayor Cheryl Heitmann will present the annual State of the City address in Council Chambers at City Hall, 501 Poli Street, on Monday, February 23, 2015, at 6 pm. A brief reception will be held after the address, followed by the regularly scheduled City Council meeting.

This year's State of the City theme "On the Right Track" will highlight some of the City's successes of the past year as they relate to the City Council's four priorities: Creating and Maintaining Economic Development and Vitality, Delivering Core Services, a Safe and Clean Ventura and Enhancing Public Trust.

Mayor Heitmann will also emphasize significant findings from the City's recent Resident Survey and identify key issues the City Council will be addressing in 2015.

The public is welcome to join fellow residents, business partners and other City supporters at this annual event. The State of the City address will be broadcast live on Channel 15 within Ventura city limits, and rebroadcast thereafter. It can also be accessed online by visiting the City's website at www.cityofventura.net and clicking "News and Events" selecting "Videos."
