City Council Office: 805- 654-7827

Year-End Donations Sought for City of Ventura American Flag Program

Year-end donations to the City of Ventura's American Flag Program will help replace deteriorated flags before the price goes up next year, and provide contributors with a letter of acknowledgment for 2014 tax deductions.

Donors can make a contribution of any size by sending a check that is payable to "Veterans of Foreign Wars" to PO Box 1297 Ventura, CA 93002, or by calling Councilmember Jim Monahan at (805) 643-4275.

The City of Ventura, Veterans of Foreign Wars, and American Flags & Cutlery collect donations that support the display of American flags along California Street, Main Street, Thompson Boulevard, Ventura Avenue, the Promenade and the Ventura Pier from Memorial Day through Independence Day. This program also supports flags for each branch of the US Armed Forces that fly at the Ventura County Government Center Veterans Memorial. The flags typically show signs of fading and deterioration from the sunlight and need to be replaced every season.

This release is available on the City of Ventura website at www.cityofventura.net. ###
