### “Coffee with the Mayor” on Ventura’s Westside, Saturday, April 19

“Coffee with the Mayor” will be held in the Westside area of Ventura on Saturday, April 19 at Django’s Coffee House, 2271 North Ventura Avenue from 10-11am. This monthly gathering provides an informal opportunity for residents to meet with the Mayor and provide ideas on city issues.

“Making sure residents have easy access to city government helps increase communication and improve our community,” said Mayor Heitmann. “I am looking forward to hearing more ideas from our community.”

Residents can stop by anytime during the event to offer suggestions, share concerns and comments, and ask questions of the Mayor. No RSVP is required however seating may be limited. The first event was held last month in the Pierpont Area and welcomed residents and passers-by interested in a variety of issues.

Meeting locations are changed every month so they are accessible to residents throughout the city and are held at local businesses to support our economy. Upcoming meeting locations include Midtown, the Eastside, College Area and Downtown.

This release is available on the City of Ventura website, [www.cityofventura.net](http://www.cityofventura.net). --###--
