Narrative:

On the above date and time, the Ventura Police Department Command Center received a 911 call from a male employee of the AT&T Store, 2950 Johnson Dr., reporting that an armed robbery had just occurred. The three suspects, all armed with handguns, were last seen fleeing the store on foot and possibly leaving the area in a dark sedan.

During the investigation officers learned the employee was inside the store when the first suspect entered the store and pointed a gun him. The suspect demanded the employee move to a back storage room, when then the two other suspects entered the store behind him. The store employee complied and remained in the storage room for several minutes before he exited. By that time, the suspects had already fled the store. Witnesses possibly observed the suspect vehicle leaving the area shortly after the robbery.

At this time, it is not known what the total amount of property was taken from the store.

Officers checked the area, but were unable to locate the suspects. The employee was not injured as a result of this crime.
