Boil Water Advisory Update 12/8/2017

Este informe contiene informacion muy importante sobre su agua potable.
Traduzcalo o hable con alguien que lo entienda bien

Update: 12/8/17

The City of Ventura has been notified by the State Water Resources Control Board that it is no longer necessary to boil water in the designated blue shaded areas on the map below.

However, the boil water advisory is still in effect for certain portions of the City. These areas are identified on the map below (see area in red). We will inform you when the state gives final approval to rescind the boil advisory citywide.

The areas in the City of Ventura that still need to boil their water are the following streets:

- 1) East of Cedar Street**
- 2) North of Poli Street**
- 3) North of Foothill Road**

This release is an update to the following media releases:
