**05/31/2016****MEDIA RELEASE**

Incident Number: 40435  
Information Contact: Douglas Miser, Battalion Chief  
Incident Type: Vehicle into a Residence  
Date/Time of Incident: May 31, 2016, 4:45 AM  
Incident Location: 5600 Block of Loma Vista Road  
Cause: Fall  
Injuries: (general) None  
Number of Personnel: 8 Fire, 2 Ambulance, 4 Police  
Fire Equipment: 1 Paramedic Engine, 1 Aerial Truck, 1 Battalion Chief  
Agencies Involved: Ventura City Fire Department, Ventura Police Department

Narrative: At approximately 4:45 am this morning a four door Porche Panamera was traveling East bound on Loma Vista Road at a high rate of speed when it lost control and slammed into a residence. The house was occupied by three people who fortunately were not near the garage where the vehicle came to rest at the time of the accident.

Ventura City Fire Paramedics assessed the occupants of the vehicle and no one was injured in the crash. Ventura Police launched an investigation into the cause of the accident and managed the accident scene while interviewing subjects and witnesses.

The attached double car garage suffered heavy damage from the collision. Members of the VFD's Urban Search and Rescue team performed a structural assessment of the garage and determined emergency shoring would be necessary. Part of the garage structural assembly had to be removed in addition to the roll up garage door in order for temporary repairs to be made. The garage was temporarily lifted and shored in place. Initial damage estimates for the garage, planters and, items in the garage are approximately \$50,000.

The Building and Safety Department was notified of the accident and will be helping building owners later today with getting their garage and house repaired.
