Agencies Involved: Ventura City Fire Department, Southern California Edison

Narrative: On the above date and time Ventura City Fire Department responded to a report of smoke coming from behind a business in the 2400 block of Channel Drive. Upon arrival firefighters found a mobile construction office fully involved in fire. Firefighters worked to protect a boat and additional construction materials that were being impacted by the fire. The fire was extinguished eight minutes after firefighters arrived on scene. Power lines above the fire were damaged and began to arc while the wind was blowing. Southern California Edison was called to the scene and shut off the power to the effected lines.

No firefighters were injured as a result of this incident. The cause of the fire was undetermined.
