Ventura City Fire Department personnel and apparatus responded to a reported structure fire. The initial arriving units found a 20' length of wooden property fence, multiple trash cans, and other misc materials burning in between two residences and impinging on the eaves of an another adjacent residence. The fire was quickly knocked down, and then the affected structure was investigated and ventilated to rule out possible extension into the attic. The cause of the fire remains undetermined, no injuries were reported at the time of this release.
