Report #: 16-07722

Narrative:

On the above date and time the Ventura Police Department Command Center received a report of a strong armed robbery that had just occurred in the 900 block of S Wells Rd. The victim, an employee of a medical marijuana delivery service in Paso Robles, was in Ventura making a delivery to a medical marijuana patient.

However when the victim met with the patient on Wells Rd the patient and two other male suspects entered his vehicle, physically assaulted him, and demanded his property and all the marijuana that he was transporting.

The suspects then fled in a small dark colored vehicle. A VPD detective who had monitored this call over the radio believed that it might be related to a similar crime that occurred in May involving another medical marijuana delivery person who was robbed of cash and marijuana at gun point.

Detectives had been developing leads in that case and directed patrol officer to the area of Providence Ave and Jamestown St where they located the suspect vehicle driving away occupied by several males matching the suspect descriptions provided by the victim.

Officers attempted to make an enforcement stop on this vehicle however it attempted to evade officers briefly until it was stopped in the 700 block of Springfield Ave.

The vehicles occupants were detained and the victim's stolen property was located inside.

VPD detectives secured and later served a search warrant for a residence on Providence Ave where additional stolen property was recovered.

The following suspects were arrested and booked into the Ventura County Main Jail:

Deondre Vines, Malikk Williams, and Nicholas Jones were booked for robbery and conspiracy, Treyvon Williams was booked for possession of stolen property.

The victim was not seriously injured during the commission of this crime.

This investigation is ongoing. Anyone with information related to this crime is urged to call the Ventura Police Department Major Crimes Unit at 339-4488, or make an anonymous call to Crime Stoppers at 1-800-222-8477.
