Ventura Police Holding a DUI Checkpoint on Friday, November 18, 2022

Ventura, CA. – The Ventura Police Department Traffic Unit will conduct a DUI checkpoint at an undisclosed location within the city limits on Friday, November 18, 2022, from 7:00 p.m. to 2:00 a.m.

DUI checkpoint locations are chosen based on data showing incidents of impaired driving-related crashes. The primary purpose of checkpoints is not to make arrests, but to promote public safety by deterring residents from driving impaired.

During the checkpoint, officers will look for signs that drivers are under the influence of alcohol and/or drugs.

“Impaired driving is a choice and is preventable,” said Sergeant Mark Knackstedt. “If you’ve been drinking or have taken drugs that impair, make the right decision by finding a sober driver or an alternate mode of transportation.”

The Ventura Police Department reminds the public that impaired driving is not just caused by alcohol. Some prescription medications or over-the-counter drugs may interfere with driving. While medicinal and recreational marijuana are legal, driving under the influence of marijuana is not. Marijuana can be impairing, especially when combined with alcohol or other drugs, which can also result in a DUI.

If you plan on drinking or taking medications that may impact your ability to drive safely, plan on staying safe at home. If you see a drunk driver, always call 9-1-1.

Drivers charged with DUI face an average of \$13,500 in fines and penalties, as well as a suspended license.

Funding for this checkpoint was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
