Incident Location: 1300 block of Coventry Ave in Ventura, CA

Cause: Under Investigation

Injuries: None reported

Fire Equipment: 1 ALS Engine Company, 1 ALS Truck Company, 1 Command, 1 Fire Investigator

Total Fire Personnel: 9

Agencies Involved: Ventura City Fire Department

Ventura City Fire personnel responded to a reported structure fire in a single family residence. First arriving crews found residents attempting to extinguish an incipient fire in the attached garage with a garden hose. The fire was quickly extinguished and then thoroughly overhauled by firefighters to prevent any extension. Fire damage was contained to the garage and adjacent attic space, with only minor smoke damage inside the living area of the residence. Residents were not displaced as a result of the fire. The cause and origin of the fire remains under investigation.
