Narrative:

On the above date and time, the Ventura Police Department Command Center received a 911 call of a vehicle roll-over at the intersection of Walker St. and Moon Drive. An officer in the area arrived on scene within one minute and found a Subaru Outback on its roof, in the bushes of 5700 Moon Drive.

The occupants of the vehicle were found outside the vehicle with visible injuries. The driver, Louden Flartey, was tending to his 22 yr. old female passenger who had sustained injuries during the collision. An officer speaking with Flartey could smell the odor of an alcoholic beverage and began an investigation for driving under the influence (DUI).

At the conclusion of the investigation, Flartey was arrested. An eyewitness to the collision said Flartey's vehicle was driving at a high rate of speed and lost control while trying to make a turn.

Flartey's passenger was transported to a nearby hospital and treated for minor injuries. Flartey was booked at the Ventura County Jail for felony driving under the influence and causing injury.
