On the evening of December 4th residents arrived at their home in the 200 block of Chrisman Ave. to find it filling with smoke. As the residents began to investigate the source of the smoke they discovered flames in the crawl space underneath their home; unable to extinguish the fire completely with a garden hose or find a specific source of the fire they dialed 911. Ventura City Firefighters arrived on the scene and discovered a small fire still burning in the crawl space at the rear of the residence. Firefighters made access to the fire through the floor of the residence and extinguished the fire.

No firefighters were injured as a result of the fire. The cause of the fire remains under investigation.
