**Date/Time Occurred:** 11/21/15 @ 1200 hours

**Officer(s) Involved:** Ventura PD Patrol

**Suspect(s):** Unknown

**Report #:** 15-15935

**Narrative:**

On the above date, at 1440 hrs, the Ventura Police Department Command Center received a call from a citizen reporting a possible late reported shooting that had occurred in the area of Wells Rd. and Telephone Rd. The citizen said at approximately 1200 hrs. this afternoon, they were riding within a group of other motorcyclists on Wells Rd., when near the intersection of Darling Rd., two unrelated motorists got into what appeared to be a "road rage" incident and one of the drivers shot at the other vehicle.

The citizen said the suspect driver fired one round towards the other vehicle as it fled from the area and shattered the back window. The victim vehicle, a blue Nissan compact 4-door sedan, was last seen heading eastbound on Aster St. The suspect vehicle was described as a black, newer model Nissan Titan with paper plates, which was seen fleeing the area westbound on Telephone Rd.

At this time, no one has reported being a victim of a shooting. Officers checked the area, but were unable to confirm the exact location of the crime scene. This does not appear to be related to any earlier incidents.

The investigation into this incident is ongoing. We ask that if anyone was driving in that area during the time of the reported shooting and could have information, please call the Ventura Police Department at 339-4416.
