On the above date and time, the patrol officers were dispatched to a residential burglary in progress in the 100 block of Barry Drive. As patrol officers responded, a plain clothes detective who was in the area on an unrelated investigation, arrived in the area of the call and saw the two suspects fleeing the area on foot. Once the patrol officers were in the area of Rocklite and Ventura Avenue, they began to search for the suspects. A police K9 was use during the search, and after a few minutes, the first suspect was located and apprehended by the K9. As the first suspect was taken into custody, additional patrol officers arrived in the area and began searching for the second suspect. The K9 was again used during the search.
