Report #: 15-11721

Narrative:

On the above date and time, a Ventura police officer on patrol saw a red Ford pickup speeding in the area of Ralston St. and Saratoga Ave., and ran the vehicle's license plate number. The vehicle was a reported stolen vehicle out of Santa Barbara. The vehicle immediately began to accelerate away from the officer, who initiated a vehicle pursuit.

The pursuit covered a distance of approximately 10 miles, travelling on surface streets, including the area of the Ventura Auto Center. Officers continued pursuing the vehicle, which ultimately entered southbound Highway 101. Speeds in the pursuit ranged from 20 mph on city streets, and up to 90 mph on the highway. The pursuit continued and exited Rice Ave., into the City of Oxnard. Once patrol units from the Oxnard Police Department were in position, they took over the vehicle pursuit.

The pursuit was terminated near the intersection of Yucca and Las Tunas Pl., after the Oxnard Police Department deployed spike strips. The driver, later identified as Terrance Trout, was taken into custody without incident.

The Ventura Police Department took custody of Trout and later booked him into the Ventura County Jail for felony evading, possession of a stolen vehicle, felon in possession of ammunition and possession of a controlled substance. During the pursuit, two female passengers got out of the vehicle in the area of the auto center. Those females were contacted and released.

No one was injured as a result to the vehicle pursuit.
