On the above date and time, a patrol officer working patrol was driving in the 2600 block of Thompson Blvd., when he observed a suspicious vehicle near the Wendy's restaurant. The officer went to contact the driver of the vehicle, later identified as Estrella Martinez, who had parked and fled from the vehicle before the officer was able to make contact with her. She was ultimately located outside of the restaurant and identified by the officer as being the driver. The investigation revealed that the vehicle had been reported stolen earlier in the day from Port Hueneme and had different license plates on the vehicle.
