Report #: 15-4677

Narrative:

On April 6, 2015 at 3:38 AM, Ventura Police Patrol Officers and Ventura City Firefighters responded to a vehicle fire in the 10000 block of Blackburn Road. Upon arrival, patrol officers learned that a resident in the area heard a loud explosion and upon investigating the source of the explosion found a vehicle engulfed in flames. Ventura City Firefighters quickly extinguished the fire and a Ventura City Fire arson investigator responded to the scene. It was determined that the fire was intentionally set. It is unknown if this vehicle fire is related to other vehicle fires that occurred recently in the City of Ventura.

The investigation into this incident is ongoing. Anyone with information related to this incident is urged to call the Ventura Police Department at (805) 339-4309.
