**01/14/2015**

**Incident:** Traffic Accident

**Contact:** Watch Commander, 805-339-4416

**Location:** 2400 Block of Harbor Blvd.

**Date/Time Occurred:** January 14, 2015, 2:12 p.m.

**Officer(s) Involved:** Ventura PD Patrol, Ventura PD Motors, Ventura City Fire

**Narrative:**

On the above date and time, the Ventura Police Department responded to the 2400 Block of Harbor Blvd., reference a non-injury traffic collision involving a semi-tracker trailer rollover.

The driver of the single vehicle semi-tracker trailer was traveling eastbound on Harbor Blvd. and could not negotiate a turn in the roadway. The driver of the vehicle lost control, which caused the semi-tracker to roll onto its side and slid into a light pole. The 60,000 lbs vehicle was loaded with empty celery boxes, which spilled out onto the roadway.

Because of the accident both the eastbound lanes and one westbound lane of Harbor Blvd. will be closed for approximately 1.5 hours while employees of the trucking company clean up the scene and the vehicle is removed by tow trucks. Southern California Edison also responded to repair the downed light pole.

No one was injured as a result of the accident. The cause of the accident is still under investigation.
