Narrative:

On November 25, 2014, at 2:05 p.m., the Ventura Police Command Center received a call of a single gunshot that occurred near Marion Canon Park, 1400 Saratoga Ave. Several Officers were in the area and quickly and set up a perimeter as the caller stated that the #1 suspect who had a handgun had fled in the area of Marion Canon park and jumped a fence to a nearby neighborhood. Ventura Police K9 officers were training nearby and were able to respond to the scene. After a timely search of the area, officers were unsuccessful in locating the suspects described above.

Witnesses were located and it was learned that the above suspects were near the 5600 block of Shenandoah St. when they exchanged words with the unidentified victim who was near them. Witnesses saw Suspect #1 pull out a handgun and fire one shot in the direction of the victim. After the shot was fired both suspects and victim fled the area.

Officer's attempted to locate the victim however they were unsuccessful. It is unknown if the victim was hit by the gunshot. The investigation into this incident is ongoing. Anyone with information related to this incident is urged to call the Ventura Police Department at (805) 339-4309.
