Narrative:

The Ventura Police Department and the Ventura Unified School District have partnered with Motivational Multimedia Assemblies (MMA) for inspirational presentations at local middle and high schools from 3/9/16 thru 3/15/16. MMA aims to both challenge and inspire young people to develop strategies that will enable them to reach their true potential so that their life choices will not be diminished through avoidable, reckless and harmful behaviors.

Using music videos, movie and TV program clips, MMA creates a powerful impression viewed on 11 foot by 43 foot screens, conveying age-appropriate messages that encourage positive life choices. The program aims to educate students on the prevention of destructive decisions and behaviors such as drinking and driving and texting and driving. The themes include positive decision making, conflict resolution, drug prevention/traffic safety and personal excellence.

Funding for this program is provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration

The media is welcome to attend but this event is not open to the public.
