

What is the Ventura Police Activities League (PAL)?

Ventura **PAL**
POLICE ACTIVITIES LEAGUE

The Ventura Police Activities League, better known as Ventura PAL, promotes involvement between youth, police, and citizens of the City of Ventura. PAL, under the guidance and partnership of the Ventura Police Community Foundation, provides meaningful programs in the areas of sports, academics, education, and recreation enrichment; to improve the conditions and relationships within the community of Ventura; to promote scholastic opportunities; to foster and encourage faith in American principles and traditions; and to encourage the development of sportsmanship, friendship, citizenship, and good will within the youth of the City of Ventura.

All funds raised are used to provide our local youth with positive alternatives to gangs, drugs, and criminal behavior. Ventura PAL encourages kids to stay in school and helps fund mentoring, recreation, and educational after school activities.

Everyone Benefits

When we provide our youth a chance for a better lifestyle, everyone benefits by:

- Reduced crime in our community
- Safer communities
- Reaching out to kids with constructive activities that build discipline & self-esteem
- Showing kids that Police Officers can be their friend and role model
- Providing alternatives to gangs, drugs, and "hanging out" on the streets
- Developing future responsible leaders
- And it's good for business!

PAL programs create strong bonds between Police Officers and the communities they serve. The teamwork of Ventura PAL and the City of Ventura helps disadvantaged youth grow into productive citizens, and provides a positive and proactive approach to crime prevention. It is better to build a child than mend an adult.
