

THOMAS FIRE REBUILD
**TEMPORARY RECREATIONAL
VEHICLE HOUSING**

Permitting Standards of Temporary Recreation Vehicle Housing while Recovering from the 2018 Thomas Fire

Requirements:

1. Only one RV for habitation per lot.
2. The RV shall be connected to an approved source of electricity.
3. Residential use of RVs under this ordinance shall not be allowed on any street.
4. Residential use of RVs shall be located outside the boundaries of any recorded easements.
5. RVs for residential use on fire-affected sites shall meet the following additional standards:
 - (a) Residential use of RVs on fire-affected sites shall be permitted only on parcels on which a permitted or legally established residence was destroyed, or damaged and rendered uninhabitable as determined by the Director as a result of the Thomas Fire. Proof that a destroyed or damaged residence was permitted or legally established shall be verified by the Director based on prior final building permit or assessor's records, or other documentation satisfactory to the Director.
 - (b) Except as provided herein, no City approval or permit for residential use of an RV shall be issued until the site has been issued a CalRecycle Certification of debris removal or property cleanup completion certification through the City. (provide copy)
 - (c) RVs may be located within Zoning Ordinance setback areas, such that placement of the RV will allow for unobstructed reconstruction on the site. RVs may be moved about the site during reconstruction.
6. RVs for residential use on lots not affected by the Thomas Fire shall obtain written authorization from the property owner and shall comply with all Zoning Ordinance setback requirements, except for parking and I or lot coverage requirements.
7. Residential use of RVs is limited to vehicles not on a permanent foundation and used to house Displaced Persons and remains in effect until December 4, 2021.
8. Residential use of RVs is limited to a single vehicle for habitation per lot.
9. The RV shall be connected to an approved source of water meeting the following criteria:
 - (a) Public water supply by way of a temporary hose bib with check valve; a Building & Safety Division issued plumbing permit and inspection is required.
10. The RV shall be serviced by a licensed wastewater disposal service meeting the following criteria:
 - (a) All wastewater from toilets within the RV shall be stored in a Blackwater tank either within the RV or an external tank which shall be serviced by a licensed wastewater disposal service.
 - (b) All wastewater from any sources within the RV other than toilets shall be stored in either a Blackwater tank or Graywater tank either within the RV or an external tank which shall be serviced by a licensed wastewater disposal service.
 - (c) As a condition of receiving a City temporary permit under this section, applicants must present to the City at the time of submitting the application for a permit to utilize an RV as a temporary residence, proof in the form of a contract for the removal of wastewater from the RV's wastewater tank system; or identify the business name,

address and phone number of a local wastewater disposal service where the RV will be serviced for wastewater removal.

- (d) The wastewater tank(s) shall be serviced by a licensed wastewater disposal service for the entirety of the time the RV is utilized as a temporary residence under this section.
 - (e) Composting toilets cannot substitute for toilets connected to a Blackwater tank.
11. Residential use of RVs shall be located outside the boundaries of any recorded easements.
 12. RVs for residential use on lots not affected by the Thomas Fire shall obtain written authorization from the property owner and shall comply with all Zoning Ordinance setback requirements, except for parking and /or lot coverage requirements.

Definitions (For purposes of this Ordinance):

"Blackwater" shall mean wastewater from toilets.

"City" shall mean the City of San Buenaventura.

"City Council" shall mean the City Council of the City of San Buenaventura.

"Director" shall mean the City's Director of Community Development or his or her designee.

"Displaced Person(s)" means a City of San Buenaventura resident or residents who resided in a Qualifying Fire Damaged Structure and cannot occupy the structure. Displaced Person(s) may be required to provide verification to the City to substantiate their eligibility for uses, permits and/or approvals described in this chapter. Evidence may consist of verification by Federal Emergency Management Agency (FEMA) registration or damage assessment, and/or a driver's license or other government-issued identification card or utility bill, etc. with a physical address showing the resident resided on a legal parcel impacted by the Thomas Fire, as determined by the City. Such determination may be made by the Director or other City personnel

"Graywater" shall mean wastewater from household use other than toilets.

"Qualifying Fire Damaged Structure" means any structure damaged by the Thomas Fire that is classified by the Cal Fire Office of the State Fire Marshall in the Thomas Incident Damage Inspection Report as moderate damage (26% to 50% loss), major damage (51% to 75% loss) or destroyed (76% to 100% loss).

"RV" shall mean a motor home, travel trailer, truck camper or camping trailer that is

- (1) self-contained and designed for human habitation for recreational or emergency occupancy.
