

Street Resurfacing - Johnson Drive, Bristol Road to HWY 101

Description of project: The City of Ventura will begin resurfacing Johnson Drive from U.S. 101 to Bristol Road. This project includes street repair and asphalt overlay, manhole and valve adjustment to grade, and street name sign installation. The contractor, Hardy & Harper, Inc., is scheduled to start the project in June 2019 and complete construction in two to three months depending on weather conditions.

Work will be performed Monday through Friday between 7:00 a.m. and 5:00 p.m. and traffic flow will be affected. Paving work will be performed between 9:00 p.m. and 6:00 a.m. Possible disruptions include single lane closures or shutdown of specific sections of the road. Please observe and abide by all construction traffic signs. Residents and businesses will have access to their driveways and properties. Additional notifications will be posted on all affected streets by the contractor, at least 72 hours in advance, specifying the estimated duration of construction in that area. While there may be some inconveniences during this period, we will make efforts to minimize impacts. Please do not hesitate to contact us at the numbers listed below for any questions or concerns.

Thank you for your patience and cooperation.
