## High Efficiency Toilet Rebate 1.1 GPF or less

# TERMS AND CONDITIONS

1. All participants must be a customer of Ventura Water.
2. The applicant must have an active account in good standing with Ventura Water.
3. Applicant must submit complete application, receipt(s), and signed W-9 form
4. Limit is two (2) toilet rebates per household.
5. The devices must be a program qualifying model with a gallons per flush (GPF) of 1.1 or less. View qualifying list at [www.venturawater.net](http://www.venturawater.net) under Rebates and Incentives.
6. Applicant agrees to purchase and install the toilets at applicant's expense.
7. The purchase date for high efficiency toilets must be on or after January 1, 2019.
8. Applicant must provide a copy of their receipt or paid sales invoice indicating the make and model purchased from a home improvement store or other retail outlet that sells new toilets. For toilets purchased through a plumber or contractor, a copy of the invoice from the contractor with the make, model, and cost of each toilet stamped "Paid in Full" will be acceptable as proof of payment.
9. Applicant agrees that if all conditions are met with this program and funding is available, Ventura Water shall reimburse an amount up to \$100.00 for each toilet. Ventura Water will not reimburse for the cost of recycling of old materials or the cost of installation.
10. Ventura Water reserves the right to verify and inspect rebated devices. If installation cannot be verified, the applicant must reimburse Ventura Water.
11. Rebate check will become void 90 days after being issued.
12. Applicant has read and agrees to the program conditions and the following disclaimer: **Ventura Water offers this program on a first-come, first-served basis and rebates depend on availability of funds.** By participating in the program, you waive and release Ventura Water from any and all claims and causes of action arising out of the purchase, installation, or use of qualified products. Any claim made based upon any defector failure of the performance of the high efficiency toilet purchased in conjunction with this program shall be pursued with the retail outlet and the manufacturer.
13. Participants must be replacing an existing toilet. New development projects are excluded from this program with the exception of customers remodeling or rebuilding as a result of the Thomas Fire (indicate by checking box on application).
14. Rebate amounts and program requirements are subject to change at any time over the course of the program. Ventura Water reserves the rights to approve and/or deny rebate applications on a case-by-case basis.
