

# Metrolink just got some new destinations.

Like, a million of them.

Now you can ride the train just about anywhere you want. That's because Metrolink now connects to a brand new FlyAway bus service taking you from L.A. Union Station straight to your terminal at LAX—and back again. Service starts March 15th, with shuttles departing Patsaouras Plaza, Berth 9, on every hour and half hour between 5am and 1am, and on every hour between 1am and 5am. Return trip buses stop under the green "Buses and Long Distance Vans" signs at each terminal. Each trip takes about 35–45 minutes. And the best part is—through March 31st—your Metrolink ticket lets you ride the FlyAway for free!
