

COVID-19 Lodging Acknowledgement

By signing below, I acknowledge that:

1. All individuals using or staying in the residence/hotel located at:

(the "Residence") must be members of a single household or living unit.

2. All public and private gatherings (defined as any event or convening that brings together two or more persons in a single room or single space at the same time) of **two or more persons** occurring outside of the Residence are prohibited. Members of the same household or living unit may walk, run, or bicycle in the neighborhood around the Residence and may leave the Residence only to obtain healthcare or food or to perform work at an Essential Business (defined in the Ventura County Health Officer's March 20, 2020 and April 9, 2020 "Stay Well at Home" orders). Otherwise, all those using or staying in the Residence may not leave the Residence while in the City of Ventura.
3. All beaches within the City of Ventura are closed along with the Pier, the Promenade, and all City parks including, but not limited to, playgrounds, picnic areas, public trails, and trailheads, and the Ventura Wastewater Treatment Plant wildlife ponds.
4. All golf courses and other entertainment venues, such as movie theatres and bowling alleys, are closed.
5. There may be other activities not allowed during this COVID-19 emergency. I should research what orders, directives, and laws may impact our use of the Residence and our stay in the City of Ventura. Any failure to comply with these restrictions may result in a penalty of \$500 under the San Buenaventura Municipal Code.

I hereby certify under penalty of perjury that all individuals staying in the Residence are members of a single household or living unit.
