For an added challenge and some extra family fun, can you find answers to all of the questions below?

- Corser Field is named after Lloyd Corser, who helped establish Ventura Little League baseball in 1950. This youth baseball field at Blanche Reynolds Park was dedicated to him in 1958. Looking around the park, can you find something that starts with each letter in the name **CORSER**?
- Blanche Reynolds Park is unique in that its playground area is surrounded by a fence. Time yourself to see how long it takes you to get around the fence three times. *Can you take a rest and then beat your time?*
- Blanche Reynolds Park has a wide variety of trees. The trees that line the sidewalk are all noticeable for their white, scaly bark. *How many of these trees can you find in the park?*
- How many picnic tables can you count in the park?
- How many different types of trees can you find in the park?
- How many steps does it take to walk around the lone bush at Blanche Reynolds Park?
- What three streets is Blanche Reynolds Park located on?
