

2021 SUSTAINABILITY SPEAKER SERIES

Every Second Wednesday of the Month at 6:00 pm

January 13 | Becoming a Conscious Consumer

Learn what to look for when shopping with the planet and its people in mind. Local business owner and sustainability expert, Jodi Chin, breaks down how to become a more ethical and sustainable consumer.

February 10 | Stewardship: A Chumash Perspective

Chumash Elder, Julie Tumamait-Stenslie, will talk about what can be learned from the thousands of years of stewardship by Indigenous Peoples and the multiple benefits of Native Plants.

March 10 | Sustainable Spring Cleaning

The Sustainable Cleaning experts from the Ashkin Group will discuss green cleaning strategies and debunk common myths for cleaning your home and business.

April 14 | Zero Waste Home

Whether you're a zero waste expert or just starting out, we will explore simple swaps, tips, and ideas to help you on your zero waste journey.

May 12 | Energy Efficient Homes

Renters and homeowners alike will learn how to reduce their energy consumption at home and save money on their electric bills.

June 9 | Recycling & Upcycling

A quick recycling refresher and an upcycling crash course. Learn how to upcycle food scraps into natural dyes to give new life to old clothes and linens.
