

VOLUNTEER BINGO

Share a photo from one of your Volunteer Bingo activities on the Ventura Parks & Recreation Facebook page!

While our traditional volunteer opportunities are on hold, we've designed a Volunteer Bingo activity for community members of all ages!

To play, select one of the boxes below and complete the act of volunteer kindness listed inside. Once completed, place an "X" in the box then select another volunteer activity.

You can complete a "BINGO" pattern, such as a line with five boxes in a vertical, horizontal, or diagonal row, or all 25 boxes in the bingo card!

VOLUNTEER
