Dear Honorable Johnson,

Honorable Mayor Rubalcava and Councilmembers,

As a resident and/or a business owner of Ventura City, I would like to start off by thanking you for authorizing this important "Fire Department Operational Performance Study." This was something Ventura City needed, and we applaud you for conducting it.

Ventura City Public Safety must be a top priority!

The Ventura City Fire Department needs enhanced equipment, more staffing and an overall boost to ensure OUR community remains safe.

Many of the recommendations in this study address those concerns and we look forward to you implementing the recommendations to ensure Ventura City remains a safe place for our community members.

Sincerely,

Conrad Quintana
