

# Volunteer Beach Bucket Challenge

To play, select one of the objects located in the Volunteer Beach Bucket. Inside each object is a fun volunteer challenge. Once you have completed a challenge, color-in the object with a crayon, colored pencil, or marker.

**Your challenge is to see how many objects you can add to your beach bucket by the end of summer!**

Pick up trash at a local beach

Help a neighbor, friend, or family member with a project

Volunteer activity of your choice (draw the activity)

Make hand-made gift, card, or note

Encourage a friend to volunteer with you

Bring someone a home-made meal

Volunteer at a community garden or in your neighborhood
