Written Comments	As a new member of the Water Commission, I am here to voice my support for the Ventura Water rate increase. The time and effort the Commission has taken to ensure the future of our water supply at a fair and equitable cost to it's customers is the result of many hours research and discussion. You all are well aware of our commitment to Ventura Water Pure and the State Water Interconnect and how critical it is to our rate payers.

Written Comments	My wife and I support the increases as we recognize Ventura needs to invest for the future. For far too long, Ventura has abstained from investments across the board and as a recent new homeowner the impacts are obvious. No one likes to pay more, but we must secure the city's future infrastructure and support the necessary housing stock growth. Thank you.

Written Comments	COVID has taken a huge toll on the average Ventura Resident, many are currently struggling to afford rent, severely cost-burdened and living in overcrowded conditions. Priorities should not be on a gold course, they should be on people. We'd like to encourage council members to direct some of these one-time monies directly to affordable housing

production for Low-income households, rental assistance, vouchers for unhoused individuals, and a rent allowance for the most vulnerable residents living at poverty level.

Written Comments	I am asking that the City of Ventura take the allocation of these one time funds 19 MILLION and 8 MILLION seriously! We have a housing crisis in this city, unhoued folks roaming the streets. Young people barely able to make ends meet, family struggling to stay housed. I am asking you to use the money to fund affordable development projects, rental assistance, and

emergency housing vouchers. Its wasteful and neglectful to spend money on parking lots and golfing renovations, when you have residents sleeping on the streets.

Written Comments	Durante estos tiempos de COVID19 muchos residentes de la ciudad de Ventura han sido afectados, y con el dinero que la ciudad va recibir yo les pido que lo usen para asistir a las personas mas necesitadas con el pago de rentas. Es importante que esta ciudad de prioridad a la gente sin hogar, la

gente apunto de perder su hogar, y los que apenas pueden pagar renta.

Written Comments	Hello City Council of Ventura. I am asking you to reconsider how you will be using these one time sources of funding. Please prioritize people, prioritize the most vulnerable residents of Ventura. Its neglectful to use monies on beautification and parking lots, when you have unhoused people through the city. You have residents struggling and living in cars, sleeping on

the ground. Please use this money to fund affordable housing developments, rental assistance, housing vouchers, and to build another permanent shelter.

Written Comments	COVID relief funding should go to those most heavily burdened by the pandemic and the economic shutdowns. Ventura's homeless and low income residents were suffering before the pandemic even started, and have suffered worse since. Please allocate funding from the American Rescue Plan towards housing the city's unhoused residents and stabilizing the

situation for low-income renters throughout the City of Ventura.
