MEDALS, TROPHIES, & PRACTICE OPPORTUNITIES

MEDALS

First, second, and third place finishers in each event receive gold, silver, and bronze medals.

OVERALL TEAM TROPHY POINTS

One trophy per division (B/A, D/C) will be presented to the company that accumulates the most total points earned for all their selected events.

A company earns the following points for first through fifth place for each event or activity:

- 8 points for 1st place
- 6 points for 2nd place
- 4 points for 3rd place
- 2 points for 4th place
- 1 point for 5th place and participation

For example, a “D” company would earn 64 points if its teams placed first in 8 events ($8 \times 8 = 64$).

For events requiring more than one play date or session, teams earn these temporary points per session:

- 5 points for 1st place
- 4 points for 2nd place
- 3 points for 3rd place
- 2 points for 4th place

All session points are added together to determine an overall winner for that event. For example, Team A wins one 1st and two 3rd places over three dates or sessions to earn $5 + 3 + 3$ or 11 placement points.

PRACTICE OPPORTUNITIES

Prepare your teams for competition and improve their performance by taking advantage of practice opportunities and discounts offered by Corporate Games host venues – for golf, billiards, paintball, bowling, and many others. Contact Eric Burton at eburton@cityofventura.ca.gov for more information.

Adult Sports Leagues

Another way to get your teams ready is to register for City of Ventura sports leagues. Visit www.teamsideline.com/ventura. Download team rosters or fill out a free agent player form if you are looking for a team, or call 805-658-4743.
