**Subject:** -EXT- Main Street Closure to Traffic - Jellyfish Ventura Vintage Boutique

Dear City Council,

My sister Stephanie Sparagna and I own a new shop on Main Street near Palm - Jellyfish Ventura Vintage Boutique. Since we opened last May we have enjoyed the wonderful Coastal Community of Ventura. We believe the street closure has helped our business and the community at large. We strongly urge you to continue the temporary street closure beyond Jan. 7, 2022 and support the installation of removable bollards so the street can be controlled in the future.

We believe the street closure has helped not only our business all the merchants and restaurants lining either side of the street closure from the Mission to Fir. The street closure has provided a fun environment for our customers to shop and dine with their loved ones and really enjoy themselves like no other place in Southern California. Our customers have raved about the street closure since its inception and all express their hope that Ventura Main Street continues to be closed to traffic. Downtown Ventura has become a favorite destination location for many of our customers.

With the uncertainty of the future economy we truly believe it would be in the best interest of the entire community to continue this lovely and unique experience where visitors can continue to enjoy the friendly and fun community we have created in Downtown Ventura. Our concern is that if we do not continue what has been created here, we will lose a large base of our customers and a lot of our businesses will fail.

We appreciate the opportunity for our voice to be heard.

Thank you.

Sincerely,

Cynthia Sparagna

Jellyfish Ventura Vintage Boutique
