Recommendation Against Recommendation

Written Comments Please deal with the traffic impacts this closure has caused to Poli, Cedar and Santa Clara streets. There's additional car and noise pollution that's going to affect our property values if not dealt with appropriately. There are also real safety concerns from the lack of crosswalks, incomplete bike infrastructure, and cars traveling at high speed with limited enforcement of speed

limits. These updates need to be a part of any plan to permanently close Main St.

Recommendation	<i>Field not completed.</i>
Written Comments	Please prioritize the goal of establishing City wide Objective Design Standards for all residential and mixed-use projects fully compliant with SB 35 and SB330 as well as commercial buildings. Please appropriate a capital budget sufficient to contract with an expert consulting firm to lead the development of these standards on a high priority basis.
