STATION 27 - FILLMORE
BUILT IN 2019 FOR $8.3 MILLION
The 2.7-acre, 15,000-square-foot, single-story fire station provides improved access to the highway, modern utility systems, and adequate room for fire apparatus. It is equipped with three apparatus bays, nine dorms, living quarters for six team members, a fitness room, a state-of-the-art equipment training area, and ample room for future expansion.

STATION 34 - THOUSAND OAKS
CURRENTLY UNDER CONSTRUCTION
Construction of this 9,212-square-foot building began in 2020. It includes two pull-through engine bays, seven dorms, two offices, a kitchen and dining area, a fitness and day room, four restrooms, and a storage building. The building is designed for two engines if additional service and expansion are needed.
