

## **Ventura Police Department Mandatory Training**

**November 28,29, December 1, 2022**

- 1) Tactical Firearms Training- Officers participate in various dynamic training scenarios requiring quick judgment and critical thinking skills during stressful scenarios. Sworn Officers also conduct their required range qualifications.
- 2) Use of Force / De-escalation Training- Officers are placed in different scenarios where they attempt to de-escalate volatile incidents with their verbal skills, tactical repositioning, and/or use of other resources. In some instances, they must also choose an appropriate force option when it can't be avoided.
