

**Anacapa Safe Routes to School Improvements
(Telegraph Widening)**

Description of project: The project includes the widening of the north side of Telegraph Road between Ashwood Avenue and Mills Road to provide sidewalk and bike lanes as well as a new traffic signal at the intersection of Telegraph Road and College Drive. The project also includes the acquisition of the right-of-way and the installation of school access and bike parking on the school campus.

Construction scheduled: June - August 2019
