

# Streetscape Mural Project

## Utility Boxes painted by Artists

### You Are Invited to Adopt a Box!

To expand the project we are seeking sponsors to adopt a utility box for a suggested \$700 donation that pays for artist honoraria, painting supplies, plaques and project administration.

Design proposals are still being accepted for additional locations throughout the city. Artists and sponsors can either work together or individually to "Think Outside the Box."

### Adopt a

The City of Ventura Public Art Program's Streetscape Mural Project is a sidewalk and street corner showcase for talented local artists and community members to transform traffic signal utility boxes into new public artworks. Since 2007 artists have painted over 20 boxes with beautiful and unique designs in the Downtown, Westside, Midtown and Pierpont neighborhoods, turning our streets into an art gallery and minimizing graffiti.
